COMMENTS FROM THE TOWN MANAGER'S OFFICE

A meeting was held at Rumford on March 20th for assessors and collectors. Three of your assessors and your tax collector were able to attend the meeting. The meeting was conducted by Mr. Birkenwald of the Bureau of Taxation. The purpose was for a discussion of problems relating to the assessment and collection of taxes. Excise taxes, tax liens, personal property taxes, house trailers, and appraisal of real estate, were some of the topics under discussion.

Dog licenses are now available at the Town Clerk's Office. You find a notice elsewhere in this paper relating to a fee and the penalties for failing to obtain a license.

The dump was pushed back this past week end. It will be appreciated if persons using the dump will place their rubbish as far back as possible. It was observed Monday morning that two parties had deposited rubbish at the dump after it had been pushed back. One could have gone at least twenty feet further back, the other fifty feet. When rubbish is deposited in this manner it is more expensive to maintain a dumping area. There is one place that will need a few loads of gravel in a few days to keep the dump open while the frost is coming out.

Sincerely,

Harold L. Bean

DANNY PAUL MURPHY

Private funeral services for Danny Paul Murphy, infant son of Frank and Sidney Greenberg Murphy, were held Sunday afternoon at the Greenleaf funeral home, the Rev. Clifford Laws officiating.

Conn. Mineral Collectors Planning Bethel Visit

A group of 38 mineral collectors from Connecticut will make their headquarters at Bethuel Inn for a week this summer. From July 28 to August 8 they plan to visit many of the mines and quarries near here and in Androscoggin County. The visitors have already received information and cooperation from the Maine Department of Economic Development, which will be of much help during their stay here.

BROWN - BRADLEY ENGAGEMENT ANNOUNCED

Mr. and Mrs. Richard J. Brown of Bethel announce the engagement of their daughter, Virginia Gally, to Rev. Raymond H. Bradley, Jr., of Phillips, Maine, son of Mr. and Mrs. Raymond H. Bradley, Sr., of Coventry, Conn.

Miss Brown was graduated from Gould Academy, Bethel, in 1952 and received her B. S. degree in education from Gorham State Teachers College in the class of 1956. She is now teaching the first grade at the Kimball School, Mexico, Maine. Rev. Bradley received his early education in Connecticut, attended Williamsburg Teachers College, served two years with the U. S. Army and in June 1957 graduated from the Bangor Theological Seminary. He has served churches in Connecticut, West Bethel, Oxford, and at present is Pastor of the Phillips Congregational Church; he will graduate from Farmington State Teachers College in June. A late summer wedding is planned.

SMITH - HILLS ENGAGEMENT ANNOUNCED

Mr. and Mrs. Edmund C. Smith of Bethel announce the engagement of their daughter, Jane Clare, to Milton E. Hills, son of Mr. and Mrs. Norman Hills of Locke Mills. Miss Smith is a graduate of Gould Academy and is now a senior at the Mary Hitchcock Memorial Hospital School of Nursing at Hanover, N. H.

Mr. Hills is a graduate of Lee Academy and the Maine Maritime Academy at Castine. He is now associated with Mills Inc. Timberlands at Bryant Pond.

29 County Farms Now In Soil Bank Program

Some 29 Oxford County farms have been accepted under the new Soil Bank Bid program announced the County A. S. C. Committee today. A total of 64 bids had been submitted by local farmers.

The highest bid accepted was \$12.25 per acre annual rental. The lowest was \$4.00.

A total of 1216 acres were accepted in the county ranging from 5 acres to 270 acres per farm. Included were those of Charles Hersey, J. Edgar Bernard and Grace A. Coffin, Rumford; Ada Smith, Edward and Margaret Oman, Joseph Wilner and Henry J. Tracy, Norway; Erwin Miller and Merle E. Akers, Andover; Philip E. Batchelder and Alton J. Verrill, Woodstock; George and Elizabeth Gibbs and Dr. Gerald R. Smith, West Paris; Edith H. Epper, Leslie E. Davis, James C. Bartlett, and Philip H. Chadbourne & Co., Bethel; Carlton S. Barrows and Floyd M. Barrows, Buckfield; Philip E. Batchelder, Mason; Dorothy N. Cooper, Sumner; Harry L. Harper, South Paris; Berkeley G. Henley, Waterford; Samuel C. MacGregor, Hartford; Herman W. Merrill, Lovell; Harold E. Parsons, of Canton; Walter G. Phillips, Oxford; Francis E. Smith, Fryeburg; George E. Thome, Denmark; James M. O'Grady, Hiram.

The County Committee states that those farmers whose bids were rejected have the opportunity to participate in the regular Soil Bank Program. This program offers \$9.00 per acre annual rental where all eligible cropland on the farm is planted to forest trees, and \$4.50 per acre where all of the eligible land is entered for maintenance in a vegetative cover of grasses; also, \$4.50 per acre where only part of the land is planted to trees. The practice payment for planting forest trees is \$24 per thousand, and for establishing needed vegetable cover other than trees is 80% of the cost.

Other Oxford county farmers desiring to enter the regular Soil Bank Program for 1958 are urged to do so by the local committee. Information and contracts may be obtained from Miss Edith M. Lang, Office Manager, South Paris.

Closing date for filing a contract is April 15.

SNOW GOES SLOWLY

In spite of several inches snowfall last Friday, snow banks are noticeable lower than a week ago. A rainy afternoon Tuesday was not enough to indicate a threat of high water and the rest of the week has generally been comparatively warm and sunny.

Flood possibilities are by no means past. The amount of snow remaining here and in the upper river and lake country will be something of a menace for a while. Apparently a day or two of steady rainfall could bring a repetition of the flood conditions of 1953 or 1957.

It has been suggested that people living in the levels affected in previous high water periods should keep past experiences in mind. Bethel has not suffered much, compared with some communities but homes in Gillingham and Mayville have not escaped without damage in the past.

MT. ABRAHAM FISH AND GAME ASKS HEARS LARRY STUART

The regular meeting of the Mt. Abraham Fish and Game Assn. Inc. was held at the town hall, Locke Mills, March 20, with 53 present. The meeting was called to order by President Gilbert and was presided by a pot luck supper.

Wardens Wayne Lindsey, Leon Wilson and Warren Adams were present. Herman Bennett reported on the State meeting. The mayoral package was won by James Gupitt.

Larry Stuart, guest speaker, showed slides on the Conservation camp at Bryant Pond. The film, "Crying on N. H. Wildlife" was also enjoyed.

Firemen were called by a still alarm Tuesday forenoon for a fire originating in a four furnace at the home of Mrs. Beate Reynolds.

Don't forget crippled children. Help them with Easter Cents.

New Bethel Cubmaster

Edward Robertson

Don Brown photo

Edward Robertson was introduced as the new Cubmaster of Pack 123, by Edmond Vachon, Chairman of the Pack Committee, at the Blue and Gold Banquet, last Friday evening. Mr. Robertson was very active in Scouting in his youth working up to a Star Scout. Before joining Hanover Dowel Co. as a bookkeeper, he worked as head clerk at the Great Northern Paper Co. for about six years. He and Mrs. Robertson with their three children, Dennis, Ned, and David, reside on Chapman Street, having moved from Rockwood.

Easter Seal Sale Now On

The Easter Seal Campaign is now on. Many people associate this with the pole campaign and that the Pine Tree Society for Crippled Children and Adults is supported through United Funds or Community Chests, which is not the case. Our organization depends solely upon the people's support through the annual mailing of Easter Seals. Contribution may be made to your Bethel Chairman, Mrs. Robert Nichols, the post office or cantiers in the local stores.

RICHARD S. GILLEY, TENOR APRIL 16th IN BETHUEL

Richard S. Gilley, tenor, will be in Bethel, Thursday, April 10, 8 p. m. at the William Bingham Gymnasium. His songs will be based on music by Purcell, Berthoven, Cole Porter, including the popular "Wonderful" from "Kiss Me Kate."

Mrs. Richard S. Gilley will also play selections on the violin. Walter Marcuse will assist both musicians. This attractive musical program is sponsored by the Bethel Music Appreciation Group and Gould Academy. It is hoped all interested will support the Music Group's endeavor to bring good music to Bethel.

DEAN BENNETT ON HONOR LIST AT GORHAM S. T. C.

Mr. and Mrs. Donald Bennett, Locke Mills, have received word that their son, Dean Bennett, a student in Industrial Arts at the Gorham State Teachers College, was among the students on the President's Scholarship Honor List who were honored recently at a College assembly. He was one of eight who received straight A's in all subjects.

After graduating from Gould Academy in the class of 1953, he completed a four year course in cabinet making with the F. O. Bailey Co., Portland, and entered Gorham S. T. C. last fall.

Howe Washington Report by Congressman ROBERT HALE

Summit Meeting. The Russians are stepping up their propaganda for a summit conference, but the Administration is wisely refusing to commit itself. The Communists undoubtedly want the meeting for propaganda purposes, rather than for settling any differences with the Free World.

I think this is a propitious time to recall a little history. In 1952, at Geneva, the Russians asserted the world of their peaceful intentions and good will. It wasn't long before the Brown Bear ruthlessly suppressed a Hungarian freedom uprising, and then stirred up trouble in the Middle East. The Communists have done nothing to indicate they have reformed.

Thus I am strongly opposed to another summit meeting similar to the Geneva conference. Negotiations should be carried out at the foreign minister level. At best, summit conferences are grandstanding plays and at worst they are humbling defeats.

Year Capital. You won't recognize your own Capitol soon unless we can prevent a \$101 million face-lifting that is both unnecessary and undesirable.

The Architect of the Capitol, who in fact is not a professional architect, has recommended that the East Front of the structure, which is steeped in history, be destroyed, replaced by an extension to will get \$16,500,000 under the same program.

Legislation has been introduced

this session to prevent the alteration. It should be passed before one of the historic features of the nation's most familiar landmarks is destroyed. For certain the taxpayers do not want \$101 of their money used for this purpose. The floor space gained by this expenditure would be unprecedently costly.

Unemployment Benefits. Numerous proposals are now before Congress to extend exhausted unemployment benefits. The proposals range from 13 weeks to 16 weeks, to the end of 1958. I hope that a suitable extension is soon agreed upon and legislation passed without delay.

Surplus Butter. The Agriculture Department has advised me that Maine will receive about 60,000 pounds of surplus butter per month for needy persons, starting about May 1. This will be of particular benefit in the Biddeford-Baco area where unemployment is high.

Notes. The Portland Municipal Airport has been granted \$20,000 for various improvements. The House has passed and cleared for the President the Payne-Hale bill to increase benefits for widows of former Lighthouse Service employees.

The Brunswick School District has recommended that the partment is to receive \$50,000 under East Front of the structure, which is steeped in history, be destroyed, replaced by an extension to will get \$16,500,000 under the same program.

It was my honor or to escort Maine's Cherry Blossom Princess, Miss Carolyn Driscoll of Auburn, for presentation at an event this week in the Cherry Blossom Festival.

SEN. PAYNE REPORTS

Maine Airport Construction Funds

The Civil Aeronautics Administration recently announced that Maine will receive an allocation of \$2,576,000 in Federal funds under the Federal Airport Act for the coming fiscal year. This amount will be increased if the Monroey-Magnuson-Payne bill is passed. The Act requires that Federal grants for airport work be matched on a 50-50 basis. Of the total amount allocated to Maine, \$1,288,000 has already been earmarked for specific projects and the balance will be used for additional projects as they are approved. The projects already approved and the amount of Federal funds set aside for each are: Bar Harbor Municipal Airport, \$125,000; Portland Municipal Airport, \$1,000,000; Bangor Municipal Airport, \$125,000; and Portland Municipal Airport, \$125,000.

Fishery Antitrust Bill

Last week I introduced a bill, which Senator Margaret Chase Smith joined in sponsoring, to give fishermen protection from antitrust provisions when they act collectively to secure a fair price for their catch. The need for legislation of this type was brought home sharply last week by the Federal indictment of Maine lobster fish-

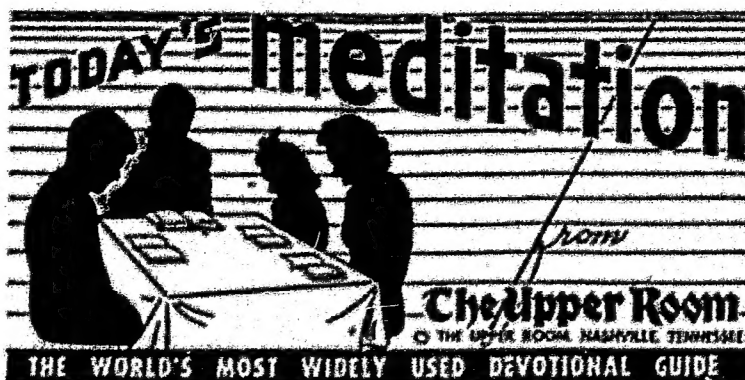

ermen last fall, but it should be clearly understood that this bill is not retroactive and will apply only to future activities of fishermen. The current case will be decided under the provisions of law existing at the time the controversy arose. Until the case is decided, which may take considerable time, and unless some legislative action is taken, the lobster industry and indeed all segments of the commercial fisheries will be in a complete quandary in regard to permitted catching policies. This new bill will give every American fisherman the right to bargain individually or collectively for a fair price for his catch—just as farmers and labor are now permitted to bargain.

Coast Guard Agrees to Reasonable Application of Small Boat Regulations.

The Senate Commerce Committee cleared the safety regulations for small boats which will go into effect on June 1st with the Coast Guard in an Executive Session last week. The Chairman of the Committee was unable to be present at the opening of the meeting and called upon me to preside. The members of the Committee, including myself, have been very deeply concerned over the impact which these regulations, which have already been resolved upon there, will have on the small passenger boat industry.

The Coast Guard very clearly indicated that the regulations were written in comprehensive and detailed form solely to provide uniformity and reasonable application by the inspectors in all areas of the country. The Commandant of the Coast Guard stated explicitly for the record that the Coast Guard was only interested in fundamental safety and no Coast Guard would consider the condition of his full Committee for consideration.

First Committee Step on Area Redevelopment Bill. The Area Economic Redevelopment Bill which was introduced by me earlier this month took its step forward in the legislative mill last week. Several of my colleagues on the Senate Banking and Currency Committee joined me in voting to be dropped from carrying on his bill directly before the Committee. The Commandant, Subcommittee route for legislation, also stated that the Coast Guard will continue to carefully review and revise the regulations in any action by the full Committee, effort to make them completely fair and reasonable. Further discussions may take place after information requested from the areas.

Read John 1:14-16

Of his fullness we all received, and grace for grace. For the law was given through Moses; grace and truth came through Jesus Christ. (John 1:16, 17, ASV.)

We were at prayer meeting in the lean-to chapel back of the church in Cheng Tu, West China. A hymn had been sung. The Chinese pastor had read a few verses of Scripture and commented on them.

At my left, in the end of the seat, sat a poor man. I had never before seen him. He followed several others in prayer. One sentence in his prayer in Chinese has clung to my memory through the years as a real blessing.

To express the same idea in English requires more words and al-

so takes some of its force. Using Chinese words of strength, he said "Most earnestly we beseech God to add grace to grace."

The poor man may not have been well-versed in the classics, but he certainly knew God and the Bible and practiced the grace of obedience.

Prayer

Dear Lord, we thank Thee for the inspiration of prayers we have heard. Some of them have been abiding blessings to us. Add grace to grace in our lives that we may be a help to others, as others have been a blessing to us. In Christ's name and for His sake. Amen.

Thought For The Day

This day I will pray and practice the grace of obedience.

HIGHWAY ROBBERY

Watch for hidden gas-robbers—they can punch holes in your budget. Tires that are underinflated just 5 pounds, for instance, can cost you half a gallon of gasoline out of every twenty. Dirty air filters can steal 10 per cent of your mileage. Poor compression, faulty plugs, and slow-acting chokes all work to pull mileage down. In oil-industry-financed "detection" laboratories all over America, researchers study and test continuously to help the motorist get the most value out of his driving dollar.

MAN'S RECIPE

SUNNY ACRES CHOCOLATE CRISPIES

Since I took up cooking as a winter hobby a few years ago, Blanche claims that I have meliorated considerably in my attitude toward routine kitchen work. Probably this is true. I had the good fortune to be brought up with three sisters and no brothers. From earliest days, "Haydn, keep out of the kitchen!" was drilled into me.

So when I began to cook and bake at age 50 or so, it understandably caused skeptical comments among friends and the family. I will admit that previously I have thought that you ladies took an unconscionable amount of time for cooking and cleaning up. Now I have toned down my comments and have one bit of advice for you. First, I'll gladly admit it does take time to cook well and to clean up. Wonder why it is every woman says to Blanche "Does Haydn actually clean up the kitchen?" For your information, I do. My advice to you ladies is this. Most of you hurry too much in your cooking. You wait too long before beginning and then try to go at 60 miles an hour. Start a little sooner and go at things more slowly.

If you like a very crunchy, chocolate-flavored crispie, try this. Use one and a fourth square unsweetened chocolate, one third cup butter or margarine, two thirds cup sugar, one egg, uncracked, one third cup sifted flour, one eighth teaspoon salt, pinch of pepper, one fourth teaspoon vanilla, one half

CARD OF THANKS
I wish to thank my many friends and neighbors for the wonderful cards, letters, and flowers sent me while I was in the hospital. And for the wonderful Sunshine Box I received. It was greatly appreciated. Mrs. Raymond Bennett

Cup chopped walnuts.
Melt chocolate and butter in double boiler. Remove from heat and add all other ingredients except nuts. Mix all well.
Spread mixture in two greased eight inch square pans and scatter the chopped nuts over the top. Bake at 425 about 12 minutes. This makes a thin, crisp cookie. Cool a few minutes before you cut them. -Haydn S. Pearson

CARD OF THANKS
I wish to thank my friends for the many cards, notes, gifts, and money received during the past few months. Glynce Berry Emery

Wednesday last week. Mr. and Mrs. C. A. Juddins will entertain at a public "83" party at their home next Saturday evening, March 29th, for the benefit of the Grange.

OCEAN TO OCEAN ACROSS SOUTH
AMERICA—AND BACK—IN 41 HOURS!
CHEVY'S NEW V8 LEVELS
THE HIGHEST, HARDEST
HIGHWAY OVER THE ANDES!

To prove the durability of Chevrolet's radical new Turbo-Thrust V8,* the tremendous flexibility of the new Turboglide transmission,* the incredible smoothness of Full Coil suspension, we tackled the most challenging transcontinental road in the world — the 1,000-mile General San Martin Highway. To make it harder, the Automobile Club of Argentina sealed the hood shut at Buenos Aires — no chance to add oil or water or adjust carburetors for high altitude.

So the run began — across the blazing Argentine pampas, into the rascals of the forbidding Andes. Up and up the road climbed, almost 24 miles in the sky! Drivers gasped for oxygen at 12,572 feet — but the Turbo-Thrust V8 never slackened its torrent of power, the Full Coil springs withstood every bump, the Turboglide transmission made play of grades up to 39 percent. Then a plunge to the Pacific at Valparaiso, Chile, a quick turn-around and back again. Time for the round trip: 41 hours 14 minutes — and the engine was never turned off!

*Extra-cost option.

SCHOOL NEWS

Grade 4—Mrs. King

In Social Studies we are studying about Africa. Some of us are drawing maps and writing stories about the African people. Katharine Brown has a baby brother. His name is Robert Jack. Bobby Brown played some beads to a guitar and we are watching their sister and brother grow. Owen Brown brought some baby supplies to school and they are growing well. Although the temperature goes down to 60 at night. This week we are experimenting with paper and clay. We are glad to have the school back in a new of being in the hospital for an appendicitis operation. There was an extra day today because of stormy weather.

Grade 5—Mrs. Varner
We received our first gold seal in writing. We hope we will be able to keep it. Monday we had a movie called "The Story of the Three Little Pigs." We are soon going to study South America. We are now working on United States Possessions. Friday will be the end of the third ranking period. Rank cards will be out Monday. Reporters, Betty Chapman.

Grade 6—Mrs. King
We are studying the study of Central America. We have had several map studies, matching facts and other objective tests. We are also learning about the islands of the West Indies. We had a gold seal in penmanship this week and were pleased to receive a gold seal. Place are being made for the annual school fair which will be held on April 18, the last day of school before our week's vacation.

GOULD ACADEMY

— Mrs. Colista Morgan, Corres. —

On Tuesday, April 1, the School Assembly Service will present a third program for the year, "A Journey into the Forest" by William M. Parsons. It took Bill Parsons and his partner, Henry Briggs, five years to trace the life cycle of one forest inhabitant and record it on film and sound. On this "journey" we will, by means of colored film, accompany Bill Parsons into the world of creatures of the woods, swamps, and streams. Actual forest sounds have been recorded for this film. Featured will be the black duck as she meets her enemy, the snapping turtle. Other wild creatures shown in close-ups will be baby squirrels, deer, raccoons, and dragon flies.

The work of Parsons and Briggs is internationally known. Hollywood and TV use their material. They have received awards from International Film Festival, Venice (1952); International Film Festival, Edinburgh (1954); Columbia Film Festival, Ohio (1954); and Scholastic Teachers' Magazine (1955).

The class of 1958 of Gould Academy has elected Clark Freeman, son of Mr. and Mrs. Charles Freeman of Bethel, as their Class Marshal.

Girls Basketball

Dixie Lee Brown and Merry Ring With excitement even to make the gym room, the class peg competition came to an end with the Sophomores on top. Juniors were second, with Freshmen and Seniors.

Changes Announced In Farm and Home Program

Two changes have been announced in the planned Farm and Home Week program at the University of Maine due to the illness of the speakers originally scheduled.

Mrs. Mary Parker of Gardiner, world traveler and author, will speak on "Eating Around the World" at 2:30 p. m. Tuesday, April 1, in Alumni Hall. Mrs. Parker will close her talk on the wide experience she gained as travel editor of the *Traveler's Magazine* and through her previous service with Travel magazine. Mrs. Parker's latest book is "Eating Europe with Young People."

Professor Robert York of the University of Maine was originally scheduled to speak at this hour but illness forced him to cancel the engagement.

In the second change Professor York's presentation will appear on the commercial vegetable program with a discussion of current practices for the chemical control of weeds. Travel, an unbalanced authority on weed control in Maine crops, is the author of the annual control recommendations. Publications which have grown in demand from a few hundred copies three years ago to more than 5000 copies for the current publication.

Hans N. Hansen, Jr., vegetable grower and partner of Gray, was originally scheduled at that time.

HOW TO DRIVE

A tip from the AAA's driving guide for adults.

BOTTOMS UP!

After a drink or two—even a couple of beers—a normal driver tends to abandon his usual safety practices, and he may not even know it.

Alcohol is a depressant. It slows reaction time and affects eyesight. A drinking driver cannot judge accurately the speed of his own car or of others. Likewise, his judgment of distances is impaired. He is a serious highway menace.

According to HOW TO DRIVE, the AAA's booklet for adult drivers, "Bottoms Up" may be a motorist's last to disaster.

BORN

March 15, to Mr. and Mrs. Rodley Adams of Lovell, a son, Gregory.

In Rumford, March 20, to Mr. and Mrs. Irving W. Brown, of Bethel, a son, Robert Jack.

In Rumford, March 21, to Mr. and Mrs. Delwin Long of Bethel, a daughter, Jan.

In Norway, March 22, to Mr. and Mrs. Ivan Morey of West Paris, a daughter, Katherine Jane.

Our Maine Highway Safety Committee reminds us that driving is a matter of teamwork. Anything we can do to inform the driver behind of our intentions will help to prevent accidents. It is just plain common sense to signal our intention to turn left, turn right, or to stop—well in advance of the actual turn or stop. This gives the following driver ample opportunity to adjust his driving to fit the situation. Such teamwork helps to back the Attack on Traffic Accidents.

DUPONT PAINTS for EVERY PURPOSE

Girl Scout Troop 1, Bethel, met

Tuesday, March 25, at the Legion Room. The Girl Scout cookies have arrived. At the Opening Exercises the girls demonstrated proper and improper ways of selling the cookies. Girls will be selling cookies during the next few weeks. \$22.52 was realized at the fund sale held on Saturday by the Girls Scout Mothers. The girls working on the Dabbler badge with Mrs. Webster are having a wonderful time learning about colors and using water colors. Patrol 1 will conduct the formal meeting next week.

Brownie Troop 2B met at the home of their leader, Faith Brown. After the business meeting, the Brownies finished fringing the dolls tea cloth and making a design on the cloth with liquid embroidery. Laurel Brown made a hand print. Refreshments were served by Vivian Brown. See Vivian Brown.

Brownie Troop 3 met Tuesday March 18 with 16 present. We finished our wall plaques and took them home. We also watched an experiment Mrs. Haines performed by putting tea grounds into a jar of a mixture of water, vinegar, and soda. It was fun to see how the tea grounds float around and up and down.

Brownie Troop 4 met Tuesday, their chapter cropland in the Soil Bank and so are taking it out of production for at least 5 or 10 years. This meant that about one-fourth of the Maine acreage offered in this special program was accepted. In the other three states where the trial 503 program was attempted, bids were too high and all were rejected.

March 26, at the primary school.

There were 18 present. After a short business meeting we started a new project which is marble bags. They will come in handy now that Spring is around the corner, to keep our precious marbles in. Hostesses for next week will be Darlene, Cheryl and Irene. Next meeting we will have some Girl Scout cookies on sale. If any Brownie wants to buy a box they should bring 25 cents per box and a note from their mother saying whether they want assorted cookies, mint flavored, or vanilla cookies. The profit from the cookies goes to the Brownie and Girl Scout general fund. Girl Scouts will be selling them from door to door but the Brownies are not old enough. Let's help the Girl Scouts by bringing 25 cents for a box next week. We closed the meeting by singing "Yankee Doodle." The Brownie Smile Song and "Good Night Brownies."

Brownie Troop 2A met with their leader, Mrs. Edward Wheeler, Tuesday afternoon, March 25. We finished our doll tea napkins with liquid embroidery, and colored numbered pictures. Leah Swain was absent and will bring refreshments next week. Wendy furnished them today. Sylvia Kimball, Secretary. Brownie Troop 3 met Tuesday with Monique Rolfe as leader and Mrs. Laws and Darlene Morrill assisting. They took the group over to the Union Office where Mr. Brown took them through the printing office. They all found it very interesting. Martha Laws and Maryvonne Rolfe furnished refreshments.

"My, how he's grown..."
